**Notes:**

- [1]. These plans will be monthly rental plans and will be offered only to schools under guidance of the Ministry of Education, under strict supervision of Dialog's fixed business unit
- [2]. Plan A will be issued to schools only.
- [3]. Plan A to D will be offered to schools, Computer resource centres under Ministry of Education. Plans E to I will be offered to schools and installations of Ministry of Education.
- [4]. Anytime quota can be used without time -band restrictions during the day.
- [5]. Voice service will be activated on request for no additional rental. By default, charging will be on per second basis. Every school has the choice to migrate to per minute charging upon request free of charge.
- [6]. Average Speed available: Down Link - 4 Mbps, Up Link - 1 Mbps, Burst Bandwidth up to 40Mbps is possible subject to the availability of network resources and location of the user
- [7]. The school can request for additional Data quota at standard data extension prices.
- [8]. The existing schools can migrate/upgrade (same or higher rental package) to the proposed new Home Broadband tariff plans free of charge.
