Notes:

- [1] Package A, B and C are available for only Prepaid customers. The other packages are available for both prepaid and postpaid customers
- [2] Package A, B and C will be provided as auto renewal plans. Other plans will be available for the prepaid customers as a one time activation and for postpaid customers as a monthly rental. Operator should obtain customer consent for auto renewal.
- [3] Voice minutes are charged on per minute basis
- [4] Subscriber can use the 4G Bonus quota only when he/she is latched to the 4G network
- [5] Night time data can be used during 00:00-08:00 hours only
- [6] Excess usage charge for data will be LKR 0.3 per MB (excluding taxes)
- [7] Package D will be available to only drivers targeting the self-employed driver community. The customer should submit a copy of the Vehicle Registration Booklet OR Revenue license along with the driver license to subscribe to pack D. For pack D, charging for On Net voice minutes (excess usage) to be applicable only if the call exceeds 15 seconds. This will be applicable only after the voice entitlement for the package exceeds. This is a specific need for drivers in order to give quick calls to customers to confirm location or confirm upon reaching the destination.
- [8] Unlimited Calls with a selected Number: Prepaid and Postpaid customers can select a Dialog Mobile number (E.g.: Friend or Family Member) and activate a service to make unlimited calls between the selected number and the customer subscribing to one of the the above packages for LKR 100 (Excluding tax) per number with a validity period of 30 days. This will not be available for Package A, B and C.
