ITU- D Youth Education Scheme Scholarship Awarded to a student in Sri Lanka

ITU- D Youth Education Scheme scholarship has been awarded to Mr. Damith Senaratne to complete his MSc in Telecommunications at the University of Moratuwa, in Sri Lanka.

The Development Sector of the ITU aims to support young people, mainly from developing countries and those in transition, to increase their knowledge of information and communication technologies. The Youth Education Scheme (YES) supports talented and deserving young people to complete their tertiary education in Telecommunication and related fields.

Mr. Senaratne also received a fellowship from the ITU to attend the ITU- Youth Forum, 2004 held in Korea.
