Conditions Applied for Plan 01 to Plan 02

- **General Conditions**
 - Above mentioned packages are available for all postpaid consumer and enterprise customers.
 - Both packages are eligible for sub-lines. The Plan 01 allows a maximum of 2 sub-lines, while Plan 02 allows up to 4 sub-lines.
 - Per sub-line, a monthly rental of Rs. 700 (excluding tax) provides 15GB of anytime data and 1,000 SMS, which will be added to the primary bucket.

- Subscribers of plan 01 & 02 can purchase 2 & 4 supplementary lines respectively, which are priced as follows.

Plan Name	Plan 01	Plan 02
Maximum no of Supplementary lines	2	4
Monthly rental per supplementary line - Excl.Tax	Rs.700	
Benefits per Supplementary line		
Voice	Unlimited Any Net	
GBs	15GB*	
Anytime SMS	1000	

*GBs in the supplementary line will be added to the GBs in the primary line as a data pool which can be shared between supplementary and primary line.

- The primary package holder, linked to the NIC, will be the main account holder for the family plan and will have the authority to make any changes to the account.
- Sub lines will not have the authority to make any changes to the main account or their mobile number.
- **Conditions applied to new Connections for Consumers**
 - The maximum connection count per NIC is governed by existing standard regulations, which allow up to a maximum of five connection per NIC for Individual.
 - Subscriber application form to be filled with customer data and customer must sign the application in his own (application can be a physical application or a digital application filled and signed digitally).
 - It is mandatory to produce valid NIC or Driving License. And a Billing proof when the billing address is different from the address mentioned in the NIC to get the connection for Individual new connections.
- **Conditions applied to New Connections for Enterprise**
 - Connections to be issued under Business Registration Certificate of the business entity or Government Act
 - Copy of Business Registration Certificate/Government Act needs to be included with the applications submitted.
 - Deposits are not applicable for connections issued to enterprise and government entities.

- **Conditions applied to Existing customers migrating to New Packages**
 - Package changes from other postpaid packages to proposed postpaid packages are allowed, subjected to meeting deposit criteria for the new postpaid packages. However, customers who are on the network for more than 03 years are not required to pay or increase the deposit for the required levels of the proposed package.
- **Voice & DATA Bundle related conditions**
 - Users who exceed their data limit will be blocked. Customers can enable or disable over-usage through the self-care mobile application
 - The Any Network voice bundle, Any Network SMS bundle, and Anytime data bundle can be shared with sub lines on the Primary package.
 - Rs.0.20 + taxes per Local SMS will be charged for usage beyond SMS to any network bundle.
 - If the Anytime Data Bundle is fully exhausted, overage data usage will be charged according to the following slab rates

Plan	Overage Data Charges
Plan 01	First 50 GB: Rs. 34 per GB + applicable taxes; thereafter: Rs. 30 per GB + applicable taxes.
Plan 02	First 100 GB: Rs. 34 per GB + applicable taxes; thereafter: Rs. 32 per GB + applicable taxes.

- **Mobile Broadband Speeds**

Average Network Speed	
Uplink Speed	Downlink Speed
1.5Mbps	4Mbps
#. Due to the inherent nature of wireless technologies, the actual user experience may vary from the stated average network speeds. This variation can be attributed to factors such as radio conditions, geographical features, distance, path loss, time of use (peak or off-peak), spectrum capabilities, network configurations, the device used, and external influences. Additionally, the network deployment decisions are influenced by the business viability considerations of the operator.	

- **Definition – Local Network***

*Voice calls and SMSs to Premium Short Codes used for paid services, SLT and Mobitel call center numbers are excluded from the allocated Any Net Local Voice Minute Bundle of Voice to Any Local Network & the Any Net SMS bundle to any local network. These Short Codes/Numbers may change from time to time.

- **Freedom Squad Benefits**
 1. The Freedom Squad feature enables eligible customers to form a group ("Squad") and receive recurring rental discounts based on the total number of active members in the Squad.
 2. Available to eligible MO Freedom Plan subscribers.
 3. Squad Discounts:
 - 2 active members – 5% monthly rental discount per member.
 - 3 active members – 8% monthly rental discount per member.
 - 5 active members – 10% monthly rental discount per member.
 4. The applicable discount will be applied to the monthly rental of all eligible active Squad members and will continue as long as the required number of active members is maintained.
 5. If the number of active Squad members falls below the applicable threshold, the discount will be revised according to the prevailing eligibility criteria.

6. Squad creation, member management, and invitation of new members will be facilitated through the mobile application.
