

NIA /ITU/ TRCSL International ICT Volunteers Program (IIV) 2017

This year under the ITU, NIA, TRCSL IIV program three volunteer teams comprising twelve Korean undergraduates were in Sri Lanka from 7th July to 16th August 2017. The IIVs trained students with special needs and the teachers of Special Education Units in Western Province at We/Jaya/Wijerama Maha Vidyalaya Computer Training Center in Colombo District, We/Ka/Ma/ Meril Kariyawasam Central College Computer Training Center in Kalutara District and We/Ng/ Jeyaraj Fernandopulle Maha Vidyalaya in Gampaha District.

The NIA-ITU-TRCSL International ICT Volunteer (IIV) programme 2017 was scheduled as a human resource development programme to arrange ICT training for the students with special needs and teachers of special education units.

The members of the “ITI” team were Mr. Jeong Hyeon Lee, Mr. Sang Yo Park, Ms. Dabin Song, Ms. Hui U Kim and they conducted their ICT training program at We/Jaya/Wijerama Maha Vidyalaya Colombo, Sri Lanka.

The Members of the “SSUGAR” team were Mr. Geonho Ji, Ms. Minjeong Kim, Ms. Bomi Kim, Mr. Wonho Park. They conducted their training at We/Ng/ Jayaraj Fernandopulle Maha Vidyalaya Negambo, Sri Lanka.

The Members of the “Pocari” team were Mr. Donghwan Kim, Ms. Yoonsun Huwang, Ms. Jeongwon Park, Ms. Jiwon Paek. They conducted their training at We/Ka/Ma/Meril Kariyawasam Central College, Kalutara, Sri Lanka.

The syllabus of the KIIV ICT program included topics such as Microsoft Office, Android Development, Adobe Photoshop, Google App, Internet & Email, Special software for students with special education needs, and an introduction to various aspects of Korean language, music & culture.

We thank the Ministry of Science, ICT & Future Planning and the National Information Society Agency of Korea (NIA), and the ITU, for their support in making the International IT Volunteer (IIV) program in Sri Lanka a success.

NIA / World Friends Korean ICT Volunteers Program (KIV) 2017

Special Education Institutions promote IT education and capacity building through KIV programme.

TRCSL assisted Five Vocational Training Center’s to organize their own programs through National Information Agency / World Friends Korean Information Technology Volunteers program, supervised by the Department of Social Services and Senehasa Education Resource Research & Information Center (SERRIC) established under the State Ministry of Defense, Narahenpita Colombo 08.

The four Vocational Training Center’s involved in this program were Seeduwa, Wattegama , Maharagama and Angunakolapelessa.
