Per minute charging option <sup>[6]</sup>	LKR 1.50 per Minute (Excluding Tax)		

Notes:

1. These plans will be made available to any HBB Post-paid customer with an active connection
2. A dynamic Public IP will be provided with packs A and B, any customers wish to have a static IP shall pay a monthly rental of Rs 1,500 and obtain the service.
3. VOIP service will be supported on the B310 and S11 router models only.
4. A complimentary talk time worth of Rs 150 is bundled to the VOIP packs.
5. Normal browsing will be restricted for pack C by black listing social media, entertainment, streaming, torrents, VPN, gaming, adult content and other identified high data utilizing sites. Thereby only allowing data for surveillance, signaling and security traffic.

6. Voice service will be activated by default for no additional rental. Default, charging will be on per second basis. The customer has the choice to migrate to per minute charging upon request, free of charge
7. Customers are allowed to migrate into the above proposed packs from any of their existing packages other than from pack C
8. Any customer can downgrade or upgrade from the above packs to a normal data pack, at that instance all the features related to the package will be removed such as the dynamic Public IP and VOIP.
9. Normal data package behaviour will be applicable in disconnection, reconnection, billing, provisioning and other aspects other than specified above.
