Notes

- [1]. These packages will be offered to any state sector employee & members of the Government Institutional Bodies upon validation using the institutional identity card, latest pay slip (not older than 3 months) or a request letter approved by a relevant government institute.
- [2]. The customer will be provided the option to pay an additional LKR 1,000 at the point of purchasing the connection to enjoy additional 20GBs per month during the first 3 months (10GB anytime of the day & 10GB during 00:00-08:00 hours). Additional Data Quota offered with the Connection for 3 months is usable only if the customer exhausts the data quota assigned to his package rental.
- [3]. Average Speed available prior to application of Pre-eminent range: Down Link - 4 Mbps, Up Link - 1 Mbps, Burst Bandwidth up to 40Mbps is possible subject to the availability of network resources and location of the user.

Down Link and Up Link Bandwidth after reaching the pre-eminent range will be 512 Kbps for another 1GB and 64 Kbps thereafter.

- [4]. Bonus Quota can be used during 00—08:00 hours (Night time) only. During night time, the bonus quota will be utilized first. In the event that bonus quota is exhausted, customer can utilize the available anytime data quota during night time.
- [5]. Customer can request additional Data at the standard speed after reaching pre-eminent range at standard pre-eminent range extension rates
- [6]. Number of email boxes for each package – 2
- [7]. Voice service will be activated on request for no additional rental. By default, charging will be on per second basis. The customer has the choice to migrate to per minute charging upon request free of charge.
- [8]. The existing customers can migrate / upgrade (Same or higher rental package) to the new LTE Home Broadband tariff plan free of charge.
- [9]. No. of Promotional tariff proposals submitted during the year: Two of five
