Worry Free Video on ViU for Home Broadband Customers

	Video Quality	Tariff for Data
Data charges for viewing content on ViU app	480p or below (SD Quality)	Zero
	More than 480p (HD Quality)	Standard data charges in the customer's package

Notes:

1. The Customer should subscribe to OTT content via ViU app drawer to watch the same content without being charged for data at 480p quality.
 2. The Service is available for both Postpaid or Prepaid customers.
 3. Default video quality would be at 480p and the customer will have to manually change the video quality to a higher level.
