  - During 12AM – 6AM period, the Extra Night Time Bundle (12 AM -6AM) quota receives higher priority.
  - The Extra Night Time Bundle (12 AM – 6 AM) will utilize traffic not included in the App bundle (GB).
  - The Extra Night Time Bundle (12 AM – 6 AM) would serve HD quality content without any speed restrictions.
-

#### **<sup>4</sup>Any Net Local Voice Minute Bundle**

- Voice Usage charge beyond entitled Any Net Local Voice Minute Bundle will be: Rs.1.50 + Taxes per Minute, if there are No other Voice Minute Bundles are available.
  - Voice calls to Premium Short Codes used for paid services, SLT and Mobitel call center numbers are excluded from the allocated <sup>4</sup>Any Net Local Voice Minute Bundle of Voice to Any Local Network. These Short Codes/Numbers may change from time to time.
- 
- Average Network Speeds.
    - Uplink – 1.5Mbps
    - Downlink – 4Mbps

Due to the inherent nature of wireless technologies, the actual user experience may vary from the stated average network speeds. This variation can be attributed to factors such as radio conditions, geographical features, distance, path loss, time of use (peak or off-peak), spectrum capabilities, network configurations, the device used, and external influences. Additionally, the network deployment decisions are influenced by the business viability considerations of the operator.

- HD content streaming is supported on a best effort basis with the Extra Anytime Bundle or Extra Night time Bundle, subject to device capability and network conditions.

#### **Customer Eligibility**

- This Package would only be available for users whose age is in between 16 Years – 25 Years.
  - Customer onboarding would be controlled based on the **NIC & the student ID/letter from the institution**. Users who do not fall within the aforementioned Age category would not be allowed to be onboarded as a customer.
  - Further, the existing users in the network, must contact either hotline or a branch in order to make themselves eligible for this package.

Once a customer completes 25 years in age, the user would be moved out of the special youth package and can choose any commercially available packages at that time.

- Voice calls to Premium Short Codes used for paid services, SLT and Mobitel call center numbers are excluded from the allocated <sup>4</sup>Any Net Local Voice Minute Bundle of Voice to Any Local Network. These Short Codes/Numbers may change from time to time.

**\*\*\*Note: Please note that these are the current Premium Short Codes. These Short Codes might change in the Future**
