### Conditions

- Data usage charge beyond the entitled Extra Anytime bundle will be Rs. 0.30+ Taxes per MB (Billed in 10 KB Blocks). Extra Anytime Bundle (GB) would serve HD quality content without any speed restrictions. HD video viewing experience is based on a best effort basis and may be subject to certain limitations such as network coverage, and speeds available at the user's location. It is also important to note that certain video streaming platforms may offer video quality experience that is lower

than HD. HD viewing experience is also reliant on the device used to access the content.

- For Customers that require faster speeds for the App Data, they will be given an SMS option to opt out from App Data and browse the Apps from Available Anytime Data bundles or from PAYU balance without speed restrictions.
- Voice calls and SMSs to Premium Short Codes used for paid services, SLT and Mobitel call center numbers are excluded from the allocated Any Net Local Voice Minute Bundle of Voice to Any Local Network & the Any Net SMS bundle to any local network. These Short Codes/Numbers may change from time to time.

Note: Please note that these are the current Premium Short Codes. These Short Codes might change in the Future.

- SMS Usage charge beyond the entitled Any Net Local SMS Bundle will be: Rs.0.20+ Taxes per SMS, if there are no other SMS bundles available.
- Average Network Speeds
  - Uplink - 1.5Mbps
  - Downlink- 4Mbps

\*. Due to the inherent nature of wireless technologies, the actual user experience may vary from the stated average network speeds. This variation can be attributed to factors such as radio conditions, geographical features, distance; path loss, time of use (peak or off-peak), spectrum capabilities, network configurations, the device used, and external influences. Additionally, the network deployment decisions are influenced by the business viability considerations of the operator.
