PEOMobile Packages with Data Bundle for Mobitel Users to Stream the PEOMobile OTT Service

Package Name	Package Price	GB(FUP)	Validity Period
PEOMobile Flash	Rs.278.00 (Incl. Taxes)	8 GB @360p	7 Days
PEOMobile infinity	Rs.678.00 (Incl. Taxes)	36 GB @360p	30 Days

Conditions:

- a. The package fee will be charged by adding the amount to the bill for postpaid customers, and by either deducting the fee from the account balance or recharging the respective package value for prepaid customers.
- b. A customer who has successfully subscribed/activated the package will be eligible to utilize the allocated GB until the FUP is reached.
- c. If the data allocated to the package is reached, the bandwidth of 512 Kbps will be allocated for the streaming of PEOMobile as the fair Use limit. For customers that require faster speeds for streaming of PEOMobile, they will be given an SMS option to remove speed restrictions and browse the PEOMobile from the available anytime data bundles or from PAYU balance
- d. If the data allocated to the package is utilized, the customer can recharge (for Prepaid Customers) or activate an add-on (for postpaid customers) to extend the package.
- e. Data usage charge beyond the entitled data bundle will be Rs.0.30 + Taxes per MB (Billed in 10 KB Blocks)
